STAGE	PRODUCTS AND QUANTITIES	DESCRIPTION
05 PURIFYING MASK S12 P15 L15	 Purifying Cream Mask 7-10 ml	• Apply evenly to the face with a brush, avoiding eyes and lips; 10-12 min. Remove with damp sponges. GREEN CLAY · KAOLIN · ZINC PCA · ALLANTOIN · BROWN SEAWEED Dual clay detox: kaolin absorbs sebum and impurities, zinc PCA regulates oiliness for a matte finish, allantoin soothes redness.
